

IMPORTANT INFORMATION

Because of the nature of this particular outreach and the occultic and perverse strongholds in New Orleans, we place a strong emphasis upon preparation. We strongly advise that all participants make themselves ready through intense prayer as well as radical evangelism. Fasting every Wednesday is a part of our preparation.

Living conditions are “**missionary**” sleeping bag style on the floor of a Christian School with shower facilities and meals prepared at the school. There will be approximately 200 people participating in this outreach.
