

What is the Primary Purpose?
Has this Purpose escaped you?
How can you recapture this Purpose?
And much more...

“At a time when most American Christians have lost the priority of evangelism, God has raised up Scott Hinkle to reorder our priorities. I pray the church will listen to his message and reclaim our mission to share Christ’s love. If you have desired to move beyond fear and become a confident witness, this book is for you.”

J. LEE GRADY, EDITOR
CHARISMA MAGAZINE

“Here are some essential holy secrets Scott has learned in seeing friends, relatives and strangers come to Christ. From the crucible of his life’s work you will learn how you too can win people to the Lord. Scott’s great offering will help us do that ‘one thing’ needed in our day—go and make disciples like Jesus did!”

WINKIE PRATNEY
EVANGELIST & AUTHOR

“Scott has helped churches around the nation transform their communities. As a local pastor you’ll find this work to be a needed part of your library and it’s principle foundational to your obedience to the Great Commission.”

BISHOP VAUGHN McLAUGHLIN, FOUNDER
THE POTTER’S HOUSE CHRISTIAN FELLOWSHIP

“I thank God for Scott Hinkle, who has never forgotten his initial mandate and call. He is burdened not only with reaching the lost himself but also training a new, emerging generation of evangelists to go forth and be tangible expressions of Christ to the nations. I highly recommend *Recapturing the Primary Purpose*.”
